

# 9<sup>th</sup> ENMIX WORKSHOP

European Nanoporous Materials Institute of Excellence

September 12-13, 2024 | Porto, Portugal  
Faculty of Engineering - University of Porto

***Advanced nanoporous materials for industrial leadership***  
organized by F. Pereira (local organizer) and E. Klemm (CEO of ENMIX)

## PLENARY SPEAKERS

**Eleni ILIOPOULOU**  
CPERI/CERTH, Greece

**João ROCHA**  
CICECO – Aveiro Institute of Materials,  
University of Aveiro, Portugal

**Atsushi URAKAWA**  
Delft University of Technology  
(TU Delft), Netherlands

### Topics

Porous materials synthesis  
Novel Catalysts  
Membranes and Sorbents  
Modelling/Simulation  
Advanced characterization techniques  
New processes

## INVITED TALKS

**Petar DJINOVIĆ**  
National Institute of Chemistry,  
Slovenia

**Alexandre FERREIRA**  
LSRE-LCM, Faculty of Engineering,  
University of Porto, Portugal

### Scientific Committee

D. Akporiaye (SINTEF)  
P. Cool (Univ. Antwerp)  
E.F. Iliopoulou (CPERI/CERTH)  
E. Klemm (Univ. Stuttgart)  
N. Novak Tušar (NIC, Slovenia)  
P. Oña Burgos (ITQ, UPV-CSIC)  
F. Pereira (Univ. Porto)  
A. Sepúlveda Escribano (Univ. Alicante)  
C. Simms (Univ. Antwerp)

## DEADLINES & FEES

**Abstract deadline** July 10<sup>th</sup> 2024

**Acceptance** July 15<sup>th</sup> 2024

**Registration fees** 110 €

Registration [here](#)

### **10<sup>th</sup> Young Researchers Meeting**

September 11<sup>th</sup> 2024
