

YOUNG RESEARCHER'S DIVISION

3rd Young Researchers Meeting ENMIX – YRM 2016

October 3rd, 2016 – Antwerp, Belgium

Following the 1st and 2nd Young Researchers Meetings, the ENMIX Young Researcher Division (YRD) met up for a 3rd meeting on October 3rd, 2016 at the University of Antwerp. The YRD aims on connecting young scientist, building up their scientific network and enabling future collaborations. Such collaborations give access to otherwise not available methods and technologies. Furthermore, possibilities to discuss the own research from a different point of view arise.

Agenda

The 3rd Young Researchers Meeting brought together 15 PhD students and Post-docs, representing groups from Alicante, Antwerp, Bergen, Delft and Stuttgart. After a general introduction to the ENMIX YRD, the participants presented their current research. These presentations were then the basis for discussions on possible collaborations. At the end of the meeting possible future collaborations as well as future work of the YRD were discussed.

Outcomes

As agreed upon during the 2nd YRD meeting, the frequency of meetings was set to be every 9 months. It was established then as well, that every second meeting would be linked to other ENMIX activities, like the 6th ENMIX workshop (July 2017; Athens, Greece), to reduce travel expenses. Since no participants of the CERTH were present, and organising this thus might be difficult, the next meeting will be held in June or July 2016, in Alicante. Carlos Cuadrado, Victor Belda Alcaraz and Laura Pastor Perez (University of Alicante) agreed on organizing the 4th YRD workshop in Alicante with help of the rest of the YRD. This workshop will also contain a company visit.

The LinkedIn Group was promoted with the participants and they were asked to further promote the group within their university. (<https://www.linkedin.com/groups/8464803>).

The organizing committee would like to thank all the participants for their contribution to this fruitful meeting.

Inne Michielsen (University of Antwerp)

Program

Monday 3rd of October 2016

- 9h30: General introduction to ENMIX YRD
- 10h00: Presentations
- 12h00: Lunch
- 13h00: Presentations
- 14h00: Discussing collaborations within ENMIX
- 16h00: End of the meeting
- Evening: City tour and dinner

Tuesday 4th of October 2016

- 11h00: Discussing list of future collaborations within ENMIX
- 12h00: Bus drive to BASF
- 13h00: Welcome
- 13h15: BASF company introduction
- 14h00: Site visit
- 15h00: Visit to ammonia installation
- 16h00: Conclusion
- 16h30: Return to UAntwerpen
- 17h30: Estimated arrival at UAntwerpen and end of the ENMIX YSF
